News Power

Enjoy happy hour again!

We know it's been tough... That's why we want to support brands. How? By giving you a chance to reach a mass of local consumers twice. NP packages combine qualitative and quantitative contacts with your targets. Belgian newsbrands engage their audiences positively, meaning effective exposures, a guaranteed safe environment, and an impactful advertising as a result.

What's in it for you?

- Massive reach: 6.1 million Belgian readers a day, twice!
- An attractive price: €108.000 net
- Do you need a digital extension too? Just ask!

*The theme or subject of your ad must be specifically about « Back to business ». The « Back to business » promo is valid from 08/05/2021 until 08/06/2021. It cannot be used with other offers or promotions. NP has the right to refuse your request.
